## KYOTO WHITE MARBLE COFFEE TABLE BY LUDOVICA + ROBERTO PALOMBA

Effortlessly sculptural in its drop inspiration and three curved legs that stay coherent to its exclusive use of curves, this coffee table by duo Ludovica + Roberto Palomba is at once plush and evocative. The shaped white marble top offers intricate and unrepeatable tracers sealing the piece's exclusivity and harmoniously contrasting with the deep-dark finish of the metal structure .

### Product Details

Material	Metal
Dimensions (cm)	W 100 x D 57 x H 37
Product reference	FERRBA-026
