### HIRO CHAIR

Named after the Japanese word for “generous,” Hiro embodies a sense of openness and ease. Its light, minimalistic construction invites a relaxed seating experience, while the cylindrical backrest doubles as a practical handle - allowing for effortless movement and versatility throughout the home. Balancing function and form, Hiro’s three-legged design draws inspiration from minimalist sculpture, transforming the chair into an artistic object in space. Whether placed around a dining table or used as a sculptural accent in a bedroom or hallway, Hiro adapts seamlessly to its surroundings.

Available in two distinct material expressions, the Hiro Chair pairs a matte black powder-coated steel frame with textured Linen upholstery for a grounded, architectural presence - or a polished stainless steel frame with smooth Italian Nubuck Leather for a lighter, more ethereal effect that makes the seat appear to float mid-air. Each combination is thoughtfully composed to highlight the chair’s clean silhouette and balanced proportions.

The cylindrical seat and backrest feature refined stitching details, offering a sculptural look with a soft, comfortable feel - bringing together craftsmanship and clarity in a single, generous form.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.

Product no: 253050

Type: Dining Chair - Indoor

Designer / Year of design:

Kristian Sofus Hansen & Tommy Hyldahl, 2024

Colour:

Frame / Black

Cushion / Linen - Sand (8047-2)

Material: Frame / Powder coated Steel

Care instructions:

Use a moist cloth to clean the chair.

Do not use household cleaners containing acid.

Dimensions: L42 / W55 / H76 CM

Seat height: 48 CM / Seat depth: 41 CM

Backrest height: 30 CM

Country of origin: CN

Product weight: 10,4 Kgs

Packaging:

Dimensions: L45/ W58 / H79 CM

Total weight incl. product: 13,3 Kgs

Number of parcels: 1

Material: Brown cardboard
