Hiro Bench - Off White

Designed by

Kristian Sofus Hansen &
Tommy Hyldahl

Hiro Bench - Off White

Product Description

The Hiro Bench embodies the spirit of generosity, translating minimalist art and Japanese design principles into a sculptural and inviting form. Defined by pure geometry, the bench balances structure and softness, offering a quiet yet confident presence in the space.

The bench sits low and grounded, supported by two legs, each formed from four upholstered cylinders gathered together like soft architectural columns, while three long upholstered cylinders create the seat above, establishing a rhythmic interplay between structure and comfort.

Upholstered in Off White bouclé, the surface reveals a soft interplay of warm grey tones and off-white highlights. The looped texture adds depth and tactility, enhancing the bench's welcoming character. Whether placed in an entryway, bedroom, or living space, the Hiro Bench brings calm elegance, comfort, and timeless craftsmanship to the interior.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

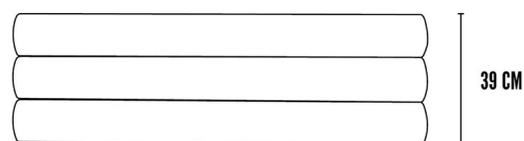

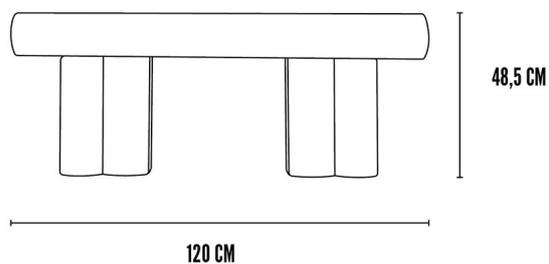

Hiro Bench - Off White

Family Description Text

The Hiro Collection is named after the Japanese word for "generous," and that spirit of generosity is expressed in every detail. Inspired by minimalist art and the quiet elegance of Japanese design, it transforms pure geometry into something sculptural, tactile, and welcoming.

Repeating cylindrical shapes create a shared rhythm across the pieces. The bench sits low and grounded, supported by two legs, each formed from four upholstered cylinders gathered together like soft architectural columns. The dining chair contrasts this softness with three cylindrical metal legs, giving it a poised and deliberate stance, while rounded upholstered volumes offer comfort with restraint.

Together, the pieces shape a quiet dialogue between structure and softness, weight and lightness. The Hiro Collection does not seek attention. It settles into a space, bringing warmth, stillness, and a sense of generosity through thoughtful presence.

Color Description

A soft, light, and warm grey base enriched with off-white highlights in the boucle weave. The gentle variation adds warmth, softness, and inviting dimension.

Maintenance Guide Description

Bouclé's looped yarns give it its charm but also require mindful care. Vacuum the upholstery regularly with a soft brush attachment to remove dust and prevent dirt from settling between the loops. To protect the fabric, avoid contact with sharp objects or rough clothing that may snag the fibers.

In the event of spills, gently blot with a clean, dry cloth never rub, as this may distort the loops or spread the stain. For light soiling, use a mild upholstery cleaner suitable for synthetic fabrics and always test on a hidden area first. Professional upholstery cleaning is recommended for deeper maintenance.

Keep bouclé furniture away from direct sunlight to prevent fading, and avoid prolonged exposure to moisture. With simple care, bouclé will maintain its softness, texture, and inviting comfort for years to come.

Materials Description

Bouclé is a distinctive fabric woven from looped yarns that create its signature soft, tactile texture. Crafted from 100% PES (polyester), it combines luxurious comfort with excellent durability, making it perfectly suited for upholstered furniture. The nubby surface adds visual depth and a cozy, inviting feel, ideal for living rooms, bedrooms, or any space where warmth and style meet. With its unique blend of softness and resilience, bouclé remains a timeless choice designed to endure everyday use.
