NAMA DINING CHAIR

Inspired by traditional Japanese stick chairs, the Nama Dining Chair blends raw simplicity with refined craftsmanship. Its name - Nama, meaning “raw” and “natural” in Japanese - reflects its minimalist design, where every curved wooden element serves a structural purpose.

Lightweight, elegant, and durable, the chair is available with or without armrests, making it versatile for both private and commercial spaces. A distinctive upholstered backrest, inspired by Copenhagen bicycle bags and secured with simple straps, adds comfort and visual appeal, complemented by a fully upholstered seat. Offered in three material combinations—Natural Oak with Nubuck Leather, Oak Coffee Black with Black Aniline Leather, and Oak Coffee Black with Linen Sand—the Nama chair balances organic warmth, bold contrast, and soft elegance.
