NO. 2 PENDANT

The No. 2 pendant is all about the details and proportions. It has a stunning Art Deco inspired socket detail with vertical lines that add a shimmering quality to the lamp and the warm light coming from the circular opal glass lampshade.

Merged, the two elements are extremely elegant, timeless, and quietly glamorous all at once. The No. 2 pendant can be used as a single lamp or in a collection of several pendants together.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.
