

ORIMONO VASE BIG

Inspired by the art of drapery, Orimono Vases reminisces the beauty of textiles falling in lavish curves.

Orimono, the Japanese word for textile, is an ode to the Japanese way of working with textiles in both clothing and interior. Orimono Vases has an uneven surface of curves in different layers, creating a beautiful organic design with a handmade touch.

Orimono Vases comes in three different sizes and is made from ceramic. The surface is hand glazed in order to achieve a unique surface texture. The colours may vary slightly, due to that it is a hand-made product. The vase is not 100% waterproof, therefore a bag for fresh flowers is included.
