Plissé elliptical Table

design Paola Navone, 2022

Designed by Paola Navone for MIDJ, the Plissé elliptical table is a masterpiece of refined aesthetics and versatility. Its sculptural base, inspired by the fluid folds of fabric, creates a striking visual effect that enhances any space.

The elliptical top, available in 220x120 cm and 250x120 cm, comes in wood, crystal-ceramic, and marble, offering both generous surface space and timeless elegance. Ideal for living areas, meeting rooms, and contract spaces, Plissé elliptical combines artistic design with practical functionality, adding a touch of exclusivity.
