SACAIMODULARGRAYAND BLUESOFA

A hypnotizing effect of juxtaposed cubes defines the artful style of this sofa, the modular design offered in multiple combinations . Padded with memory foam for an impeccably ergonomic seating experience, it features modules covered in velvety gray or blue fabric . All featuring upholstered bases, the different modules feature back or armrest attachments as well as basic resting units. The seat and armrests' height is 39 and 68cm respectively . Please ask the Concierge for other sizes.
