Stingray Chandelier, Grande - Chrome

Product Description

Inspired by the graceful movement of the stingray, the Stingray Chandelier is a harmonious fusion of soft curves and striking lines. The floating elegance of the Stingray lampshade takes centre stage, its sculptural form creating a dynamic interplay of light and shadow. As the perspective shifts, the lampshade subtly conceals and reveals the light source, offering a mesmerizing and ever-changing illumination experience.

Finished in polished Chrome, the chandelier reflects its surroundings with mirror-like clarity, adding brilliance and sophistication to any interior. Suspended from an adjustable arm, the Stingray lampshade hovers in perfect equilibrium, counterpoised by a delicate sphere—an artistic expression of contrast and weightlessness.

Ideal for large dining areas, living rooms, or grand entryways, the Stingray Chandelier, Grande serves as a commanding focal point, whether installed above a table, centered in an open space, or arranged as part of a layered lighting scheme. Its sculptural presence elevates interiors with elegance, modernist purity, and fluid movement.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

Family Description Text

Inspired by the graceful movement of the stingray, the Stingray Light Series is a harmonious fusion of soft curves and striking lines. The floating elegance of the Stingray lampshade takes centre stage, its sculptural form creating a dynamic interplay of light and shadow. As the perspective shifts, the lampshade subtly conceals and reveals the light source, offering a mesmerizing and ever-changing illumination experience. This exquisite design is showcased in a breath-taking chandelier, as well as a sophisticated table and floor lamp. The latter is distinguished by its three-legged structure, anchored to a half-circular base that brings rhythmic balance and effortless simplicity to the composition. Suspended from an adjustable arm, the Stingray lampshade hovers in perfect equilibrium, counterpoised by a delicate sphere an artistic expression of contrast and weightlessness.

Color Description

Chrome is a sleek, mirror-like silver with liquid clarity, polished to brilliance. It reflects its surroundings with sharp precision, evoking the clarity of liquid metal. Luminous and sophisticated, this finish embodies modernist purity and serves as both a striking highlight and a refined counterbalance to textured tones.

Maintenance Guide Description

Our lamps finished in Chrome (Cr III) are crafted to reflect light with a mirror-like brilliance. To preserve this clarity and ensure lasting quality, regular and gentle care is essential. The surface should be wiped with a soft, dry microfiber cloth to remove dust and fingerprints, and for deeper cleaning a slightly damp cloth with mild, pH-neutral soap may be used, followed by immediate drying with a clean, lint-free cloth. Avoid abrasive pads, acidic solutions, ammonia-based cleaners, or strong detergents, as these can scratch the surface or dull its mirrored finish. Always switch off and unplug the lamp before cleaning, and keep it away from high humidity or direct water contact. With simple, consistent care, the Chrome (Cr III) finish will maintain its liquid-metal clarity and sleek, modern presence, ensuring your lamp remains striking and timeless for years to come.

Materials Description

The chrome finish combines technical precision with modernist clarity. Using Decorative Trivalent Chrome Plating (Cr III) on aluminium, the surface is polished to a mirrored brilliance that reflects its surroundings with sharp precision. Sleek and striking, it serves as a counterbalance to textured finishes, capturing light and form like liquid metal while embodying the clean lines of contemporary design.
