TOE CHAIR

A tribute to 70s futuristic design and space age, Toe is a lounge chair with expressive aesthetics and high seating comfort. Characterized by a sculptural approach to furniture design, the Toe Chair has a thick fluted upholstery running from seat to back, creating a linear and voluminous shape. The open chair form gives a free and easy seating experience, while the special combination of different kinds of foam ensures an overall high seating comfort.

The Toe Chair offers five upholstery styles, each combining fashion and function. Choose from elegant Off-White Bouclé, durable Linen that retains its appearance with regular use, Sunproof taupe for stain and water resistance, cozy Off-White Sheepskin, or luxurious Italian Nubuck Leather, which features a velvety texture for superior comfort and elegance.
