TOE CHAIR

A tribute to 70s futuristic design and space age, Toe is a lounge chair with expressive aesthetics and high seating comfort. Characterized by a sculptural approach to furniture design, the Toe Chair has a thick fluted upholstery running from seat to back, creating a linear and voluminous shape. The open chair form gives a free and easy seating experience, while the special combination of different kinds of foam ensures an overall high seating comfort.

Introducing a new dimension to the Toe Chair collection, the chair is now available in an exquisite Italian Nubuck Leather, offering a harmonious blend of innovative aesthetics and unmatched comfort. Crafted with meticulous attention to details, the Nubuck Leather upholstery exudes a sense of elegance with its velvety texture and supple feel, inviting users to indulge in luxurious comfort.

Whether placed in a contemporary living room, a chic lounge area, or a stylish office space, the Nubuck Leather version of the Toe Chair makes a bold statement, embracing any environment with an atmosphere of refined elegance. Its sleek silhouette and sumptuous upholstery create a focal point that effortlessly commands attention, while its ergonomic design ensures hours of comfortable seating.
