

URCHIN PLANT POT BIG

Inspired by the shape of a sea urchin, Urchin is characterized by a large oval pot, resting on top of what appears to be three massive legs. Designed as a new take on the traditional plant pot saucer, the massive legs can hold water from a plant and allows the plant to breath.

Urchin comes in four sizes. Each Urchin includes two pieces, a plant pot and saucer. Both plant pot and saucer is waterproof and a small hole in the bottom of the pot, ensures a good water and air flow for the plant.
