

WABI VASE FAT

Wabi vases is inspired by the thought of Wabi-Sabi, the aesthetic that finds beauty in things imperfect and incomplete. Each vase in the Wabi collection embraces this philosophy, celebrating the organic and uneven shapes that give them a unique character and charm.

The collection consists of four sizes, each thoughtfully designed to bring a touch of nature into your home. The Birch colour enhances the natural, earthy feel of the vases, creating a serene and calming presence in any space. The irregular contours and soft lines of the Wabi vases reflect the imperfections found in nature, encouraging us to find beauty in the everyday and the imperfect. Whether displayed individually or as a group, these vases can complement a variety of interior styles.

Wabi vases is made from ceramic and is hand glazed to achieve a unique mat surface texture. The colours may vary slightly, due to that it's a handmade product. Glazed on the inside with waterproof lacquer, Wabi is 100% waterproof and can be used for fresh flowers.
